The customer understands and acknowledges that

Pc Care Airway Infratel (P) Ltd. is an existing (Class-C) Internet Services Provider and having a license issued by the Government of India (Ministry of Communications and Information Technology, Department of Telecommunications) to provide Internet Services across India (including Internet Telephony).

General Terms & Conditions of Service:-

- Interactive voice and fax messaging shall not be permitted on OUR Internet Services network, as such selling/promoting Internet Telephony/Fax etc., is prohibited.
- Ending unsolicited messaging via Internet Services is unlawful and it is not permitted.
- Probing for means of gaining unauthorized access to computers or networks is not permitted.
- Forgery of any identification or obscuring of hostnames, usernames, IP addresses, or any message header information in any data, is not permitted.
- Sending harassing or threatening transmissions over Internet Services is not permitted.
- Internet contains unedited materials, some of which may be sexually explicit or offensive & provocative for which we have no control.
- Any objectionable or obscene messages or communications, which are inconsistent with the established laws of the country, are not created, stored, downloaded, accessed, transmitted or retransmitted by him or any other person using his facilities.
- Any loss of business suffered by the Customer due to disconnection affected under clause in "Disconnection Terms" will be his own responsibility and so borne by him. Temporary break/disconnection of Service under scheduled maintenance "Disconnection Term" will not require any notice.
- The customer is required to fully comply with the provisions of the Indian Telegraph Act, 1885, Indian Telegraph Rules made thereunder and Information Technology Act 2000 and any amendments or replacements made thereto from time to time.
- Customer assumes total responsibility and risk for use of the Internet Services.
- Payment of bills** - It would be the responsibility of subscriber to make monthly or quarterly payment of Internet Services. Pc Care Airway Infratel (P) Ltd. and its Franchise would disconnect the service in case of non-receipt of monthly payment without giving any Notice to the subscriber.
- Disclaimer** :- While every effort is made by us to provide highest quality of services to its customers, the linking, quality and speed of data transmission is entirely dependent on our fiber connectivity and outdoor wireless LAN connectivity (Pt P/Pt MP) on License free ISM band 2.4/5.8@ghz as permitted by WPC. Accordingly and fixed copper pair, fiber to home, We shall in no event be responsible to the customer in any manner whatsoever for any failure, defect, delay in connectivity or accidental loss of connectivity of the customer with our network computer or the deficiency in data transmission between the customer and our network computers, or for any inconvenience, damage or loss that may be caused to any one or of any kind arising therefrom.
- The Internet Service is provided by us on an "AS IS AND AVAILABLE" basis without warranties of any kind, either express or implied, including but not limited to warranties of title, non-infringement or implied warranties of merchantability of fitness for a particular purpose. No advice or information given by us, its affiliates or their respective employees shall create a warranty. Neither us nor its affiliates warrants that the service will be uninterrupted or error free or that any information, software or other material accessible on the service is free of viruses, worms, Trojan horses or other harmful components. Under no circumstances shall Pc Care Airway Infratel (P) Ltd. & its Franchise, its affiliates or its contractors be liable for any direct, indirect, incidental, special, punitive or consequential damages that result in any way from customers, use of or inability to use the service or to access the Internet or any part thereof, or customers' reliance on or use of information, services or merchandise provided on or through the service, or that result from mistakes, omissions, interruptions, deletion of files, errors, defects, delays in operation, or transmission, or any failure of performance.
- Force Major** - If at any time, during the continuance of our Internet Services, the performance in whole or part, of any obligation under it shall be prevented or delayed by reason of war, hostility, acts of the public enemy, civil commotion, sabotage, fire, flood, explosion, epidemic, quarantine restriction, strikes, lock-out or act of GOD etc., the subscriber shall not have any claim for damages against Pc Care Airway Infratel (P) Ltd. & its Franchise in respect of such non-performance or delay in performance of our Internet Services.
- Illegal use**- Internet service may be used only for lawful purposes. Transmission, distribution or storage of any material in violation of any applicable law or regulation is prohibited. This includes, without limitation, material protected by copyright, trademark, trade secret or other intellectual property right used without proper authorization, and material that is obscene, defamatory, constitutes an illegal threat, and violates export control laws or anti-national.
- EMAIL**-It is a condition of use of internet services that subscriber do not post or transmit any unlawful, threatening, abusive, libelous, defamatory, obscene, vulgar, pornographic, profane or indecent information of any kind, including without limitation any transmissions constituting or encouraging conduct that would constitute a criminal offense, give rise to civil liability or otherwise violate any local, state, national or international law; post or transmit any information, software or any other material which violates or infringes upon the rights of others, including material which is an invasion of privacy or publicity rights or which is protected by copyright, trademark or other proprietary right, or derivative works.
- With respect thereto, without first obtaining permission from the owner or right holder; post or transmit any information, software or other material, which contains a virus or other harmful component; post, transmit or in any way exploit any information, software or other material for commercial purposes, or which contains advertising. Sending unsolicited mail messages, including, without limitation, commercial advertising and informational announcements, is explicitly prohibited. A subscriber shall not use another site's mail server to relay mail without the express permission of the site. Posting a message and subscribing without intent to large number of news groups, forums, e-mail, mailing lists or other groups or lists is prohibited. **Mail Relay using mail servers of other ISPs depends upon the policies of respective ISPs over which we have no control**
- Subscriber conduct**- Subscriber shall use internet services for lawful purposes only. Subscriber shall not post or transmit using internet services any material which violates or infringes in any way upon the rights of others, which is unlawful, threatening, abusive, defamatory, invasive of privacy or publicity rights, vulgar, obscene, profane or otherwise objectionable, which encourages conduct that would constitute a criminal offense, give rise to civil liability or otherwise violate any law, or which, without the our express prior approval, contains advertising or any solicitation with respect to products or services.

**Acceptable Internet Usage Policy**

This Acceptable Policy has been formulated by Pc Care Airway Infratel (P) Ltd. Internet Service (P) Ltd. to ensure the legitimate use of Service by the Customer. This Acceptable Usage Policy has to be signed by the Customer along with the Service Agreement. The terms and conditions, including definitions and interpretations as contained in Service Agreement shall govern this Policy document.

**Terms and Conditions**

1. The Customer shall and undertakes to fully comply with all applicable laws and regulations including without limitation, the provisions of the Indian Telegraph Act 1885, the Indian Telegraphs Rules, 1985 made there under and TRAI Act 1997 and any amendments or replacements made thereto from time to time. The Customer will ensure that the Service provided by Pc Care Airway Infratel (P) Ltd. shall not be used by the Customer himself nor the Customer shall allow his customers or any other party to use the same for any purposes other than the purposes permissible under the applicable statutory or regulatory provisions.
2. The Customer shall be responsible for obtaining additional IP addresses, over and above the maximum limit of Pc Care Airway Infratel (P) Ltd. IP addresses that could be assigned by Pc Care Airway Infratel (P) Ltd. The Pc Care Airway Infratel (P) Ltd. IP Addresses are non-portable and have to be returned to Pc Care Airway Infratel (P) Ltd. on the termination of Service.
3. The Customer has agreed to not to use the Services for any of the following activities:
  - a. Voice communication from anywhere to anywhere by means of dialing a telephone number (PSTN/ISDN/PLMN).
  - b. Originating the voice communication service from a telephone in India.
  - c. Terminating the voice communication to telephone within India.
  - d. Establishing connection to any Public Switched Network in India and/or establishing gateway between Internet & PSTN/ ISDN/PLMN in India.
  - e. Use of dial up lines with outward dialing facility from nodes.
  - f. Resell or cause to resell or offer to sell this Service.
  - g. Interconnectivity with other ISPs.
  - h. Distribution of software, programs or messages that may cause damage or annoyance to persons, data, and/or computer systems.
  - i. Forging or misrepresenting a message header of an electronic transmission originating or passing through Network
  - j. Transmitting of unsolicited email to multiple recipients, sending large amounts of email repeatedly that annoys, harasses or threatens another person or entity, or attempts to use Network for SPAM
  - k. Fraudulent activities including, but not limited to, intentional misrepresentations or misleading statements, writings or activities made with the intent that the person receiving it will act upon it; obtaining services with the intent to avoid payment; and hosting of phishing websites
  - l. Unauthorized access includes the illegal or unauthorized access to other computers, accounts, or networks; accessing or attempting to access computer resources belonging to another party; attempting to penetrate security measures of other systems
4. The Customer is permitted to use customer encryption upto 40 bit key length in the RSA algorithms or its equivalent in other algorithms without having to obtain permission. However, if encryption equipments higher than this limit are to be deployed, Customer shall do so with the permission of the Telecom Authority and deposit the decryption key, split into two parts, with the Telecom Authority.
5. Pc Care Airway Infratel (P) Ltd. may block internet sites and/or terminate the Service of the Customer, as directed by the Telecom Authority from time to time.
6. The Customer shall maintain a log of all users connected and the service they are using (mail, telnet, http etc.). Customer must also log every outward login or telnet through their computers. These logs, as well as copies of all the packets originating from the Customer Equipment, must be available in real time to Telecom Authority. Type of logins, where the identity of the logged-in user is not known, should not be permitted
7. Unless expressly stated herein, Pc Care Airway Infratel (P) Ltd. makes no express or implied warranties, guarantees, representations, or undertaking, whatsoever, regarding the Service or Customer Equipment, etc. which are provided by it
8. In no event will Pc Care Airway Infratel (P) Ltd. or its Affiliates, employees, officers, and directors have any liability under these terms and conditions, regardless of the basis on which each party is entitled to claim damages (including breach, negligence, misrepresentation, or other contract or tort claim), for any special, incidental, punitive, or indirect damages, or for any economic consequential damages (including lost profits or savings), even if foreseeable or even if the Customer has been advised of the possibility of such damages
9. The Customer shall ensure that objectionable, obscene, unauthorized or any other content, messages or communications infringing copyright, Intellectual property right and international & domestic cyber laws, in any form or inconsistent with the laws of India, are not carried in his network, by him or any other person using his network. The Customer must take all necessary measures to prevent it. The use of the Service for anti-national activities and/or unlawful activities would be construed as an offence punishable under the Indian Penal Code or other applicable law. Acts such as break-ins or attempted break-ins of Indian networks shall be regarded as an anti-national act and shall be dealt with in accordance with the Indian Penal Code. The Customer must ensure that the Service provided by Pc Care Airway Infratel (P) Ltd. is not used for such purposes by him or any other person using his network
10. Any behavior by a Customer that causes blacklisting must be remedied by the Customer within 48 hours of written, electronic or telephonic notice from Pc Care Airway Infratel (P) Ltd. Known spammers, previously unidentified, will be removed from the network once identified.
11. The Customer shall provide necessary support to Pc Care Airway Infratel (P) Ltd, TRAI, DOT or any other Government Agencies to counteract espionage, subversive act, sabotage or any other unlawful activity
12. Pc Care Airway Infratel (P) Ltd. reserves the right to disconnect the Service in case there is sufficient evidence of the Customer's intentionally or unintentionally using the Service in the manner which would adversely impact/affect network or infrastructure of Pc Care Airway Infratel (P) Ltd.
13. Pc Care Airway Infratel (P) Ltd. may change, amend or revise the above terms and conditions at any time as and when necessary in order to comply with any statutory, legal or regulatory requirements and the Customer agrees to abide by such modified terms and conditions. Such changes, amendments or revisions shall be deemed effective upon posting an updated and duly dated regulatory compliance to the Customer via email, fax, post or through any other medium opted by Pc Care Airway Infratel (P) Ltd.
14. The Customer represents that he has read and understood the terms and conditions herein and has been fully informed about the Service to be provided by Pc Care Airway Infratel (P) Ltd, its specification, requirement, limitations, etc. and has understood the same and has thereafter agreed to sign this subscription request. That in the event of breach of any of the terms and conditions of this undertaking, Pc Care Airway Infratel (P) Ltd. shall have the right to terminate the Service without any liability whatsoever
15. Any dispute, controversy or claim arising out of or relating to this arrangement, or the breach, termination, existence or invalidity thereof, shall be referred to a sole arbitrator mutually appointed by Pc Care Airway Infratel (P) Ltd. and Customer. The arbitration shall be conducted in accordance with the Indian Arbitration and Conciliation Act, 1996, as amended from time to time. The award of the arbitrator will be final and binding upon Pc Care Airway Infratel (P) Ltd. and Customer. The arbitration proceedings shall be conducted in English. The venue of the arbitration shall be Chennai.
16. Pc Care Airway Infratel (P) Ltd. assumes no responsibility, and assumes no liability for, the security and integrity of data or information a user transmits via the Service or over the internet, including data information transmitted via any server designated as "secure." Pc Care Airway Infratel (P) Ltd. does not monitor, exercise control over, or accept responsibility for the content of information passing through Network. Pc Care Airway Infratel (P) Ltd. will cooperate with legal authorities in the investigation of suspected criminal or civil violations.

Customer shall be responsible for the activities by accepting Service from Pc Care Airway Infratel (P) Ltd.

- The terms and conditions mentioned here in shall form an integral part of the services being rendered and shall be binding on the Customer.
- The Customer undertakes to fully comply with all applicable laws and regulations including without limitation, the provisions of the Indian Telegraph Act 1885, the Indian Telegraphs Rules, 1951 made thereunder, Indian Wireless Act 1933, Information Technology (IT) Act 2000 and TRAI Act 1997 and any subsequent amendments or replacements made there to from time to time.
- The customer shall ensure that the services provided by PC Care Airway Infratel shall not be used for any purposes other than the purposes permissible under the applicable statutory or regulatory provisions as may be amended from time to time by the Telecom Regulatory Authority of India and Department of telecommunications, Government of India.
- The Customer shall be responsible to obtain its own IP address and domain name from the component authorities. In case the IP addresses are taken from PC Care Airway Infratel, the same are not assignable or portable and shall be mandatorily return to PC Care Airway Infratel on the termination of the Services.
- The customer agrees and undertakes not to use the services for any of the following activities:
  - Voice communication by means of dialling telephone number (PSTN/ISDN/PLMN).
  - Originating the voice communication from a telephone in India.
  - Terminating the voice communication at a telephone with in India.
- Establishing connection to any Public Switched Network in India and/or establishing gateway between Internet & PSTN/ISDN/PLMN in India. Use of dial up lines with outward dialling facility from nodes.
- The Customer is permitted to use encryption up to 40 bit key length in the RSA algorithms without having to obtain permission. However, if the encryption requirement is higher than this limit, the Customer shall obtain the permission of the concerned Telecom Authority and shall deposit the encryption key, split into two parts, with such Telecom Authority.
- PC Care Airway Infratel may block internet sites as identified and directed by the Department of Telecommunications, Telecom Authority or any other authorise agency from time to time.
- Customer has given PC Care Airway Infratel to understand that the required measures are taken by Customer to ensure that spam/malicious traffic is not generated from customer end. Anytime spam activity/unwanted/malicious is observed from customer link, PC Care Airway Infratel will terminate the link immediately without any further notice.
- **Customer agrees that PC Care Airway Infratel Network and Services must be used only lawful purposes. Customer may not use PC Care Airway Infratel's Network and Services in order to transmit, distribute or store material (a) in violation of any applicable law or regulation, (b) in a manner that will infringe the copyright, trademark, trade secret or other intellectual property rights of others or the privacy, publicity or other personal rights of others, (c) that is fraudulent, obscene, defamatory, libellous, threatening, abusive or hateful or contains a virus, worm, Trojan horse, or other harmful component, (d) containing fraudulent offers for goods or services or any promotional materials that contain false, deceptive or misleading statements, claims or representations or (e) generally, in a manner that may expose PC Care Airway Infratel or any of its personnel to criminal or civil liability (f) send e-mail message which are excessive and/or intended to harass or annoy others, (g) continue to send e-mail messages to a recipient that has indicated that he/she does not wish to receive them, (h) send e-mail with forged TCP/IP packet header information, (i) send malicious e-mail, including, without limitation, "mailbombing", (j) hijacking of IP space or (k) send or receive e-mail messages in a manner that violates the use policies of any other internet service provider.**
- The customer shall maintain a log of all users, availing the Services (either through mail, telnet, http, etc.) and shall also maintain a log of every outward login or telnet through its computers. These logs, as well as copies of all the packets originating from the Customer Premises Equipment ("CPE"), must be available in real time to the concerned Telecom Authority. The Customer undertakes not to permit log-ins, where the identity of the logged-in users is not known.
- PC Care Airway Infratel warrants that the Services shall be of the acceptable grade, consistent with the established and generally accepted standards. Quality, functionality and/or availability of the services, may be affected and PC Care Airway Infratel is entitled to refuse, limit, suspend, vary or disconnect the services, at any time, for reasonable cause, including, but not limited, to the following:-
  - Any violation of applicable rules, regulations, orders, directions, notifications, conditions, of License Agreement etc. Issued by the Government/Telecom Regulatory Authority of India ("TRAI") etc; any discrepancy in the particular(s) provided by the Customer;
  - If the Customer is in default(including past defaults) in making payment for the Service or for any other telecom service provided by PC Care Airway Infratel.
  - During technical failure, modification, up-gradation, variation, relocation, repair and /or maintenance of the systems/equipment;
  - To combat potential fraud, sabotage, will full destruction, national security or for any other force majeure reasons etc;
  - Transmission limitations caused by topographical, geographical, atmospheric, hydrological and/or mechanical or electronic constraints/limitations and/or due to non-availability of suitable technical sites to install/upgrade network.
  - Due to acts of God or circumstances beyond the control of PC Care Airway Infratel including insurrection or civil disorder, or military operations, national or local emergency, industrial disputes of any kind (whether or not involving PC Care Airway Infratel employees), fire, lightning, explosion, flood, inclement weather conditions, acts or commission of person or bodies for whom PC Care Airway Infratel is not responsible or any Act, regulation or Policy of the Government of India or State Government or any other Statutory Authority.

## Customer IP Address Justification Form

**Pc Care Airway Infratel Pvt. Ltd.** (Brand “Airway & FiberOne Broadband” ) provides Wireless and Wire line & Optical Fiber Internet connectivity to its customers . Any customer using the PC Care Airway Infratel network for accessing the Internet are allocated IP addresses in the public IP address space allocated to PC Care Airway Infratel by APNIC (Asia Pacific Network information Centre) and IRINN ( Indian Registry for Internet Names and Numbers ). IRINN and APNIC is the organization responsible for managing and authorizing allocation of IP addresses in the Asia Pacific region including India.

All the IP addresses allocated by PC Care Airway Infratel to its customers have to be justified to APNIC and IRINN. By default PC Care Airway Infratel allocates a /29 IP address block (8 IP addresses), which will support typical requirements for most customers (e.g. DNS server, Mail server, Web server, and 100 workstations).

PC Care Airway Infratel is required to justify IP address assignment to APNIC and IRINN to ensure adherence to policies and guidelines set by APNIC and IRINN for responsible use of IP address space. Airway or any other access service provider does not own IP addresses. They are allocated / assigned to customers based upon documented justification. Airway will make necessary allocations within 7 business days of the completed justification for reaching us.

Please fill out the necessary details in the justification form below.

1	Organization Name	
2	Address	
3	Customer IP administrator's name	
4	Contact no.	
5	Email ID	
6	Bandwidth requirement	
7	Is the customer using public IP New Link addresses? If so, details of IP addresses including addresses space, provider, utilization of allocated addresses space (Use extra sheets if necessary)	
8	Pictorial representation of current As attached Network Layout. (Use extra sheets if necessary)	
9	Type of equipment / service and the IP New link addresses currently used	
10	No of IP addresses required	
11	Reasons for new requisition	
12	If single real IP address is not shared between multiple private IP addresses (NAT or Proxy), justify	

IP Address Utilization Details up to /32 Levels		
Equipment (Example: -Router Number of IP port, Firewall, Remarks addresses SMTP/POP3 servers, FTP/Web servers etc)	No of IP address	Remark

Customer /subscriber confirm & accept to maintain centralized authentication for internet service including Wi-Fi usage. (b) Customer /subscriber confirm & accept to maintain NAT SYS log parameters for three (3) years for any NAT mechanism deployed.(c) Customer/subscriber accepts & conform that he is not running any of the activities Covered Under other Service provider (OSP) license issued by Department of Telecommunication (DOT).

## ग्राहक सेवा/स्वीकृति पत्र

### सम्माननीय उपभोक्ता,

**Airway और FiberOne Broadband** में आपका स्वागत है हमें खुशी है कि आप शहर की एक बेहतरीन, Internet सेवा का हिस्सा बनने जा रहे हैं हमें अत्यंत खुशी एवं गर्व है कि आप हमारी कंपनी से एक सम्माननीय उपभोक्ता के रूप में जुड़ रहे हैं। **Airway और FiberOne Broadband** की सर्विस लेने से पहले हम आपका ध्यान निम्नलिखित बिन्दुओं पर आकर्षित करना चाहेंगे, और आपसे अनुरोध करते हैं कि नीचे लिखे तथ्यों को ध्यान पूर्वक पढ़कर, समझकर अपनी सहमति प्रदान करें !

- **Airway और FiberOne Broadband** की सर्विसेस कंपनी के कुछ उपकरणों द्वारा चलायी जाती है जिन्हें हम **CPE (Customer Premises Equipment Like Modem, Outdoor Wireless Device, Wired Router, Iron Poll, Tower, Ect.)** कहते हैं जिन्हें उपभोक्ता के स्थान पर लगाया/फिट किया जाता है। जिनसे उपभोक्ता को हमारी सर्विस मिलती रहें। ये उपकरण सदैव कंपनी की (PC Care Airway Infratel Pvt. Ltd.) की स्थायी सम्पत्ति रहते हैं। इन उपकरणों को किसी भी स्थिति में ना तो उपभोक्ता को बेचा जाता है और ना ही इनका कोई शुल्क लिया जाता है।
- उपभोक्ता जब तक कंपनी की सर्विसेस का उपयोग कर रहा है तब तक इन उपकरणों की रखरखाव की सम्पूर्ण जिम्मेदारी कंपनी के ऊपर होती है। लेकिन उपभोक्ता को इन उपकरणों के जलने, किसी भी तरल पदार्थ से खराब होने पर, टूटने या चोरी होने की स्थिति में ही उपभोक्ता को भुगतान करना होता है (कंपनी की Price List के अनुसार )
- कंपनी के द्वारा POE, Adaptor & Cable का रखरखाव एवं वारंटी 6 महीने की होती है इसके उपरांत खराब होने पर इनका भुगतान स्वयं उपभोक्ता को करना होता है (कंपनी की Price List के अनुसार )
- कंपनी अपनी सेवा को शुरू करने के लिए एक मुश्त Installation एवं Activation शुल्क उपभोक्ता से लेती है जो कि वापिस योग्य नहीं होता है और इस शुल्क का उपभोक्ता को बिल प्रदान किया जाता है और इस शुल्क का CPE उपकरणों से कोई लेना –देना नहीं होता है।
- कनेक्शन डिसकनेक्ट होने पर या डिसकनेक्ट करवाने पर कंपनी अपने सारे इक्विपमेंट (CPE) वापिस ले लेती है। जिस पर किसी भी तरह का विवाद उपभोक्ता की तरफ से नहीं होना चाहिये।
- कंपनी उपभोक्ता को किसी भी तरीके का Wi-Fi/Wireless Router Provide नहीं कराती। लेकिन उपभोक्ता स्वयं का Wi-Fi/ Wireless Router Connection के साथ लगा सकता है। कंपनी अपने Engineer द्वारा Router को Installation & Configuration कराने में उपभोक्ता की मदद करती है
- कंपनी स्पीड टेस्ट Performance Wi-Fi Router के ऊपर चैक ना करने की सलाह देती है। (तकनीकी कारण)
- कंपनी सेवा चालू करने के लिये उपभोक्ता से सुरक्षानिधि एवं उपभोक्ता के द्वारा सेलेक्ट किये गये प्लान सुरक्षानिधि लेती है जो कि कनेक्शन डिसकनेक्ट होने पर या डिसकनेक्ट करवाने पर निम्नलिखित बिन्दुओं के आधार पर वापिस की जाती है –
  - a) उपभोक्ता द्वारा सभी बकाया धनराशि का भुगतान कंपनी को कर दिया गया हो।
  - b) उपभोक्ता द्वारा कंपनी के सभी उपकरण जो कि उपभोक्ता के स्थान पर लगाये गये थे जो कि कंपनी को चलित स्थिति में वापिस कर दिये गये हैं।
  - c) उपभोक्ता की सुरक्षानिधि का भुगतान कंपनी के द्वारा 15 से 20 दिन के अंदर केवल चैक के माध्यम से अथवा अकाउंट में ट्रांसफर के माध्यम से किया जायेगा।
- यदि उपभोक्ता के द्वारा कनेक्शन डिसकनेक्ट होने या करवाने पर कंपनी के उपकरण वापिस नहीं दिये जाते हैं तो कंपनी इस स्थिति में उपभोक्ता की सुरक्षानिधि वापिस नहीं करेगी। एवं भविष्य में कनेक्शन देने में भी परेशानी आयेगी।
- कंपनी के द्वारा प्रदाय किये जाने वाला ब्रॉडबैंड कनेक्शन सर्वश्रेष्ठ हाई स्पीड के साथ आता है इसलिये इस गति (स्पीड) को परीक्षण करने हेतु ग्राहक को हमेशा वायर्ड नेटवर्किंग (LAN) तकनीक का इस्तमाल करना चाहिए साथ में ग्राहक के उपकरण जैसे की कंप्यूटर/लैपटॉप/स्मार्टफोन/स्मार्ट टीवी उच्च एवं नवीन तकनीक के होना चाहिए जिसमे विशेषकर प्रोसेसर/मेमोरी/ वाई-फाई इंटरफेस/वायर्ड नेटवर्क इंटरफेस नवीन तकनीक के होना चाहिए
- कंपनी अपने फाइबर ब्रॉडबैंड कनेक्शन के साथ जो वाई-फाई मॉडेम प्रदाय करती है (वापसी योग्य) उसकी वाई-फाई रेंज केबल 5 से 10 मीटर तक ही रहती है जिससे ग्राहक को वाई-फाई के सिग्नल इससे अधिक दूरी तक प्राप्त होने में समस्या आ सकती है (तकनीकी कारण) इस समस्या से बचाओ हेतु ग्राहक स्वयं का वाई-फाई राउटर उपयोग कर सकता है कंपनी के इंजीनियर इसे कनेक्शन से कॉन्फिगर करने में मदद करते हैं (केबल एक बार), ग्राहक के स्वयं के वाई-फाई राउटर में किसी भी की समस्या आने पर कंपनी के इंजीनियर उसे दूर करने के लिए प्रयासरत रहेंगे लेकिन यह समस्या कंपनी की इंटरनेट सर्विस कंप्लेंट नहीं होगी,
- ग्राहक के द्वारा एक से ज्यादा वाई-फाई राउटर कॉन्फिगर/कनेक्ट/इनस्टॉल करने पर अतिरिक्त चार्ज लिया जायेगा। (कंपनी के प्राइस लिस्ट के अनुसार)
- कंपनी वाई-फाई राउटर के साथ कनेक्शन की स्पीड टेस्ट ना करने की सलाह देती है, क्योंकि फाइबरबन (एफटीएक्स) ब्रॉडबैंड कनेक्शन एक उच्च गति का कनेक्शन है जो की कई तकनीकी मुद्दों के कारण वाई-फाई डिवाइस के साथ एबं पर चैक नहीं किया जा सकता है इसलिए कृपया हमें मजबूर न करें।
- कंपनी अपने कनेक्शन के साथ ग्राहक को किसी भी प्रकार का कोई वाई-फाई राउटर प्रदान नहीं करती है, यदि ग्राहक स्वयं का वाई-फाई राउटर उपयोग कर सकता है कंपनी के इंजीनियर इसे कनेक्शन से कॉन्फिगर करने में मदद करते हैं।

अतः हम आशा करते हैं कि आप सभी उपरोक्त लिखे गये तथ्यों को पढ़कर अपनी सहमति दे रहे हैं जिससे भविष्य में कंपनी से आपका कोई विवाद ना हो। धन्यवाद

## Service Level Agreement

Pc Care Airway Infratel Private Limited (PCAIPL) will provide the following service level support to the Customer/Subscriber for the products and services ordered on the Dedicated Internet Access Service Order Form and CAF (Customer agreement form)

### 1. 24x7 Monitoring and Support

PCAIPL guarantees that its network will be monitored 24x7 and that support staff will respond to any service interruption that affects our network. PCAIPL Helpdesk & Complaint centre will provide customer technical support for all issues related to the functioning of the PCAIPL network or any equipment therein. During office hours (Mon – Sunday. 9:00 AM – 7:00 PM IST), the NOC may be reached via email ([wecare@pccareonline.in](mailto:wecare@pccareonline.in) & [helpdesk@pccareonline.in](mailto:helpdesk@pccareonline.in)) or by phone (+91 751- 2458202, 4888300). After business hours, on holidays, and on weekends, telephone support will be provided and can be reached by calling 9522275610. After business hours support is available to report interruptions in service related to network or equipment failure, and does not include programming support.

**EMAIL SHOULD NOT BE USED TO REPORT SERVICE OUTAGES AFTER BUSINESS HOURS OR ON HOLIDAYS.**

### 2. Network Availability

PCAIPL guarantees that its network will be available 98% of the time in a given month, excluding Scheduled Maintenance. Upon experiencing less than 98% availability in a given month, Customer's account will be credited at Customer's request, where the assignable cause for the Downtime is related to PCAIPL -owned network infrastructure. Uptime is the functioning of the Customer's access to the Internet. Downtime exists when a customer cannot transmit and/or receive data to/from the Internet, and is measured from the time the trouble ticket is opened with PCAIPL's Complaint & Help Desk by Customer or Pc Care Airway Infratel Private Limited.

### 3. Network Uptime

PC Care Airway Infratel Private Limited (PCAIPL) guarantees network uptime of 98.00%. The service will be considered unavailable in the event of any unscheduled service outage on the PCAIPL network due to the transmission or equipment failure causing 100% blocking of movements of packets ahead of the Customer link and will be calculated on the monthly basis on Customer's request.

### 4. Network Packet Delivery

PCAIPL guarantees network packet delivery 98% of the time in a given month within the continental India, excluding Scheduled Maintenance. Upon experiencing less than 98% network packet delivery in a given month, Customer's account will be credited at Customer's request, where the assignable cause for the packet loss is related to PCAIPL - owned network infrastructure.

### 5. External Factors

PCAIPL cannot guarantee the availability of the public Internet, nor can PCAIPL take responsibility for downtime as a result of (a) natural or manmade disasters, (b) during any period in which PCAIPL is not given access to the service premises, or (c) inaccessibility to damaged aerial fiber due to safety hazards associated with related repair of electrical conductors. In such circumstances, PCAIPL will endeavour to return services to acceptable levels as quickly as possible. In no event shall PCAIPL be liable for failure to perform its obligations hereunder where such non performance is caused, in whole or in part, by force majeure, including, but not limited to, acts of God, wars, riots, storms, floods, and other causes not within Pc Care Airway Infratel Private Limited's reasonable control.

### 6. Burs table Bandwidth

PCAIPL guarantees the availability of the bandwidth the customer purchases as agreed upon in this agreement; this is called the committed rate. Bandwidth above the committed rate, called burst table bandwidth, is not guaranteed to always be available, since it is shared among all of PCAIPL L's customers.

### 7. Service Level Remedy

To receive credit for a failure to meet a service level standard, Customer must request such credit Within thirty (30) days from the date that the Dedicated Internet Access Service was unavailable. For each cumulative hour of network unavailability or fraction thereof in any calendar month, at Customer's request,

Customer's account shall be credited for the pro-rated charges for one day of the Pc Care Airway Limited recurring charge for the service with respect to which a service level standard was not met.

8. Scheduled Maintenance

Scheduled Maintenance means any maintenance at the PCAIPL hub to which Customer's circuit is connected (a) of which Customer is notified seven (7) calendar days in advance, and (b) that is performed at the PCAIPL hub to which Customer's circuit is connected. Notice of Scheduled maintenance will be provided to Customer's designated point of contact by email. Upon receiving such notice, Customer may request to have such maintenance postponed to a later date if agreed to by PCAIPL.

9. Chronic Trouble

A Dedicated Internet Access circuit is considered to have Chronic Trouble in the event that PCAIPL is unable to restore the service on three (3) or more separate occasions of more than ten (10) hours each or for more than thirty-six (36) cumulative hours in any given calendar month. The Customer shall have the option to either (a) obtain credits as set forth above or (b) terminate the affected circuit without liability provided the findings from the Chronic Trouble investigation find no fault is caused, or Contributed to, directly or indirectly, by any act or omission of Customer and / or end user, affiliates, Agents or representatives.

10. Maximum Time to respond/ Mean time to resolve (MTTR)

The MTTR for a network related problem reported on the Airway network only is as per table below

MTTR		
Description	Maximum Time to Respond	Mean Time to Resolve
PCAIPL Network	30 minutes	4 Hours

\*All parameters in Table 2.0 would be calculated by taking an average over a period of 1 (One) calendar month.

11. Network and Service Availability/ Uptime (in %)

Network Unavailability will not include any unavailability resulting from:

- a. Scheduled Maintenance of PCAIPL Network.
- b. An interruption during any period when the customer elects not to release the service for testing/ repair/ maintenance and continues to use the Service on an impaired basis;
- c. Any cut/fault in submarine cable system of Basic Telco Network beyond PCAIPL control. However PCAIPL may provide service on best effort basis during this period depending on availability of resources;
- d. Interruptions due to failure of equipment provided by Customer or other third party on behalf of Customer;
- e. Acts or omissions of Customer (including the provision of inaccurate information knowingly or unknowingly), or any use or user of the service authorized by Customer or Customer caused outages or disruptions;
- f. Interconnections to or from and connectivity within other Internet Service Provider (ISP) networks or any other service provider network in India; or
- g. Disconnection/s due to non-payment of PCAIPL's dues; or
- h. Reasons of Force Majeure.
- i. Calculation Formula

Overall Network Uptime

$$\text{Network Availability} = \frac{\text{Overall Network Uptime}}{(\text{Total Time} - \text{Maintenance} - \text{Incidence of Disaster} - \text{Outage on Customer's Behalf})}$$

**Network Availability Guarantee Remedy:** In the event the Customer experiences network unavailability during a month in excess of the guaranteed SLG (Table 1.0), the Customer may receive service Credit as per service credit table in Table 2.0.

Table 2.0 – SLG Table for Network Availability Guarantee Remedy

Parameter	Service Level	Terms of extension of service
Network Availability	98.9% & 98.00%	1:1
	97.9% & 97.00%	1:1.25
	Les Then 97.00%	1:1.5

- 1. **1:1** shall mean that for every 1 hour of network downtime, as measured by PCAIPL's network, Airway will extend the service by 1 hour.

2. **1:1.125** means for every 1 hour network downtime, as measured by PCAIPL's network, Airway will extend the service by 1 hr and 15 minutes
3. **1:1.5** would mean that for every 1 hour network downtime, as measured by PCAIPL's network, Airway will extend the service by 1 hr and 30 minutes

However the total extension of service offered as service credit shall not be more than three (3) days.

**12. Service Credit Claim Process.**

All service credit is calculated post completion of one (1) service quarter. To initiate a claim for Service Credit with respect to the Network Availability Guarantees, Customer shall submit a Service Credit Request Form within seven (7) business days after the end of the service quarter during which the outages occurred. Customer to claim service credits within maximum of 90 days post end of a service quarter.

**The claim for Service Credit must include the following information:**

- a. Customer Name and contact information
- b. TICKET number, circuit ID and billing code.
- c. Product or Service type
- d. Date and beginning /end time of outage
- e. Brief description of the characteristics fault
- f. End User location and circuit ID.
- g. Balance Payment status

**13. Planned Outages**

- a. Planned preventive network maintenance may be scheduled by PCAIPL.
- b. All planned outages will be carried out during maintenance window between 0200 hrs to 0600 Hrs IST.
- c. PCAIPL will inform by Phone, email or fax about maintenance activity to customers at least 2 days in advance. Customers may plan their data transfers accordingly.
- d. Customers shall allow PCAIPL to carryout maintenance activities as and when required. PCAIPL will carry out repair and maintenance activity on non receipt of confirmation from customers and shall not be responsible for loss of service.
- e. In case of emergency and customer services are affected partially or fully, PCAIPL will evaluate the criticalness and carryout maintenance to restore service immediately without any prior notice

**IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed on the day, month and year first above written.**
